A special "holiday-only" admission of \$10 per person includes all park amenities and parking. Children age 2 and under are free. "Inviting families and friends to a very special July 4th full day of activities at Clayton County International Park, including a spectacular fireworks display in the evening, is a great way to kick-off July as National Parks and Recreation Month and showcase the diverse range of services offered in Clayton County," stated Detrick Stanford, Director of Parks and Recreation.

According to the National Recreation and Park Association, since 1985 the month of July has been designated as Park and Recreation Month. Recreation facilities and parks across the country annually use July to celebrate the kick-off of summer programming, as well as a time to pull their communities together, get involved in great outdoor physical activities, and advocate for parks and recreation. Stanford encourages residents to get out and explore this summer stating, "With increased travel costs this is a great time for residents to visit and enjoy all that our park system has to offer."
